Some information below to help you understand what each activity is about. Hope it all makes sense! Numbers are limited so don't be disappointed book early.

- *Classroom sessions are designed to help you understand how to look after and care for ponies (to include feeding, health anatomy etc.).*
- *Check out www.pcuk.org for information on the Progressive Awards (Gold, Silver & Bronze).*
- *Fun days are not as structured as the Award sessions but will still develop the skills required to ride and care for ponies effectively and safely.*
- *Own a pony days will allow you to carry out the tasks you would have to perform if you owned your own pony (washing, turning out, feeding etc.).*
- *The Test days are a step on from the Progressive Awards check out www.pcuk.org for more information. If you have completed all sections of the Bronze Award you should be ready for the 'D' Test, 'D+' after Silver and 'C' after Gold.*
- *Driving Days are new! We are hoping that Ted and Jimmy will ask their owners to come along and show us how to prepare, tack-up and drive in their carts.*

Remember to check out your web site www.barony.ac.uk/pony-club/

Do you have any photos of pony club I could post?

Hope to see you all soon.
